

FAPSS

**SOLUTIONS TO
DIGITALIZE YOUR
AMUSEMENT**

ABOUT US

FAPSS develops integrated cashless payment solutions for the entertainment and leisure industry, with a focus on playgrounds and trampoline parks. Our hardware and software solutions are built to increase efficiency, automate major processes, and centralize the management of your FEC. Our goal is to help you speed up transactions, reduce time in queues, and give autonomy to your guests, improving the overall experience. With a focus on high-quality and innovative solutions, our software is customizable to fit your business needs and streamline the operation with features that are designed to support any facility at a single or multiple locations.

Why FAPSS?

Innovative Spirit

Our team is dedicated to continuously innovating and improving the Fapss suite of solutions for both indoor and outdoor entertainment venues.

We understand the importance of staying ahead of the competition in the dynamic entertainment industry

Customized Solutions

We understand that every entertainment venue is unique, with its own set of challenges and requirements. Our team works closely with venue owners and operators to develop tailored solutions that address specific needs and provide a competitive edge.

Cutting-Edge Technology

We leverage the latest advancements in technology to develop solutions that meet the evolving needs of entertainment venues. Our team stays up-to-date with industry trends and emerging technologies to ensure that our offerings are at the forefront of innovation.

Proactive Support

Our commitment to your success extends beyond the initial implementation. We provide support to address any issues or concerns that may arise.

Our Goals

FAPSS develops integrated cashless payment solutions for the entertainment and leisure industry, with a focus on playgrounds and trampoline parks. Our hardware and software solutions are built to increase efficiency, automate major processes, and centralize the management of your FEC.
